

HP DesignJet XL 3800 36-in Multifunction Printer

Drive efficient workflows with the fastest color printer in its class¹

*Product image may differ from actual product

PRODUCTIVE—Speed and color in one device

- Keep projects moving productively with the fastest color printer at 6 D color pages/min in its class.¹
- Produce excellent CAD lines and graphics applications in monochrome and color with one large-format device with HP Flex Tech Inks.
- No time is lost waiting for printouts—this printer delivers the first page out in 20 seconds.²

EFFICIENT—Simple and optimized

- Give users an easy one-click copy and scan experience via the intuitive 15.6-inch front panel.
- Optimize space with a large-format printer that is 20% more compact.³
- Take sustainability further with cardboard-based cartridges⁴ and printer made with 33% recycled plastic.⁵

SECURE—Protect your printer, data, and network

- Defend your network and data with the world's most secure large-format printer.⁶
- Protect your printer from cyberthreats with HP Wolf Enterprise.
- Monitor the status of your printer with Command Center's centralized dashboard.

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: <http://www.hp.com/learn/ds>

Messaging Footnotes

¹Based on comparison of published speed specifications, commissioned by HP and performed by Sogeti in February 2023. HP DesignJet XL 3800 top speed of 6 D color pages per minute compared to top speed specifications of mono and color printers from different manufacturers comparable in terms of price range, speed, and market relevance, based on their worldwide market share as of February 2023 according to IDC. Further details available upon request.

²When the printer is idle and ready, performing a reprint in Fast print mode on plain paper from history in job queue after 35 seconds from the last plot and less than 3 hours.

³Based on comparison of operational footprint, commissioned by HP and performed by Sogeti in February 2023. HP DesignJet XL 3800 operational footprint compared to operational footprint of reference competitor in TDP low volume market segment. Further details available upon request.

⁴The ink cartridge outer carton is 100% recyclable through local cardboard/paper programs. Inner materials including the ink bag are 55% recyclable and can be returned free of charge to the HP Planet Partners program for reprocessing of plastic parts. For take-back of ink bag/printhead/prints, visit <https://www.hp.com/recycle> to see how to participate and for HP Planet Partners program availability; program may not be available in your jurisdiction.

⁵Percentage of recycled plastic is calculated by plastic total weight.

⁶Based on comparison of published security specifications, commissioned by HP and performed by Sogeti in February 2023. Comparison of HP DesignJet XL 3800 security features and competitors from different manufacturers that represent the majority of TDP low volume market share worldwide as of February 2023. Further details available upon request.
